HubEngine

- › 200 Systeme
- › Bidirektional
- › Echtzeit
- › No-Code
- › Sofort einsetzbar
- › Ohne Installation
- › DSGVO konform

The screenshot displays the MARINI SYSTEMS HubEngine interface. The top navigation bar includes the logo, user profile, language (US), and help icons. The left sidebar contains a menu with 'Global', 'Account Demo / HubEngine', 'Group Evalanche Partner-Day 2019', and navigation options: 'Overview', 'Adapter', 'Plans' (highlighted), and 'Statistics'. The main content area is titled 'Plans / Demo / HubEngine / Evalanche Partner-Day 2019' and features a 'Filter plans' input and a dropdown menu set to 'All plans'. A '+ Create' button is in the top right.

Two integration plans are listed:

- 1 - Evalanche - SAP - Integration**: Status 'active'. It shows a bidirectional connection between 'Adapter: Evalanche Lead Pool' and 'Adapter: SAP Leads'.
- 2 - Evalanche - Salesforce - Integration**: Status 'altered not active'. It shows a bidirectional connection between 'Adapter: Evalanche Lead Pool' and 'Adapter: Salesforce Leads'.
